

DR. SAMUEL SAUZA, JR

DDS

Dr. Samuel Sauza Jr., – The Sierra Dental Care Implant Team Lead Doctor.

From one of the most prestigious schools of learning in the field of implant prosthodontics and implant surgery, Dr. Sauza has years of Post Graduate training and residency experience in the specific field of Implant Dentistry. Leading to a Master of Science Degree in Dentistry, Dr. Sauza has placed hundreds of implants and restorative implant crowns, over dentures, and hybrid dentures. Very few dentists in the country hold a certification from the American Board of Oral Implantology/Implant Dentistry.
